WINDSOCK is the Weathervane Theatre's summer day camp for kids 7 to 17, with sessions for every ability!

WINDSOCK is the place where new friends, experienced staff, and theatre professionals all come together to offer an outstanding opportunity to discover new talents and sharpen skills.

Camp Director Nate Gilbert, Weathervane Artistic Director Jacques Stewart, experienced staff and volunteers from the Weathervane professional company will all be on hand for the total-immersion program. Campers come from all over the North Country – and beyond!

WINDSOCK sessions:

Act I - Choose from two one-week sessions, Aug. 4-9; and 18-23

Act II - Choose from two (2) two-week sessions, July 28-Aug. 9, and Aug. 11-23

Act III - Choose from two (2) two-week sessions . . . or enroll for all four weeks; sessions July 28-Aug. 9 and Aug. 11-23

ALL CAMPER'S ALSO PERFORM FOR FAMILY AND FRIENDS IN ONE OF TWO SATURDAY MORNING SHOWS ON OUR MAINSTAGE!

A generous gift from the Hough Family Foundation provides some scholarship assistance, and we may also offer a reduced rate for multiple family members.

Play *IS* the thing – with Acts for every ability and interest.

Each Act builds experience, skills, and self-confidence through age-appropriate theatre games, techniques, song and movement.

Sessions introduce campers and staff, and move right into warm-ups, group activities and projects, adding classes and performing throughout... building toward each Act's closing Saturday with an all-Windsock show for family and friends on the Weatherlane

Mainstage...

Campers bring their own lunch; registrants will receive a list of helpful hints about appropriate clothing, insect repellent and more. Childcare at end of day available from 4-5 pm, additional \$10 per week.

Note: stated age range does overlap between 'Scenes,' in part to mark transition between groups and experience years.
