**Members Present:** Chairman Frank Lombardi, Marcia Hammon, Lisa Courcy, Donald LaPlante

**Members Absent:** Marsha Lombardi, Edith Worcester, David Chase

**Public Present:** None

**Minutes:** A motion was made by Donald LaPlante to accept the minutes as is from the October 13, 2022 meeting. Seconded by Marcia Hammon. No further discussion, all in favor, motion carries.

**New Business:**

Finish reviewing NRI:

The board reviewed the NRI and discussed any changes that needed to be made.

**Other Business:**

Rail Trails: There has been some talk about this. Not much has been said to the Planning Board or Conservation Commission.

They would be taking up the rails and creating a biking/walking trail. Do not know if it's just electric bikes, mopeds. No details yet.

The Conservation Commission discussed a few grants opportunities.

There was a brief discussion about the walking trail down behind the town hall building.

They discussed the budget. Agreed on asking for the same \$2500 and to make sure the left over funds are rolling to the next year.

**Correspondence:**

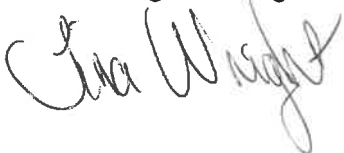

Frank: John Swan is now a Dalton Conservation Commission member. He sent an email to Frank informing him of a large piece of land that has come up for sale near Forest Lake.

Don suggested contacting Ammonoosuc Trust and letting them know about the property for sale and maybe they would be interested in pursuing it.

The next meeting will be January 11, 2023 at 4:30 p.m. at the Whitefield Town Hall.

**Adjournment:** A motion was made by Don LaPlante to adjourn the meeting at 5:26 p.m., seconded by Lisa Courcy. All in favor, the meeting adjourned

Respectfully submitted by:  
Tina Wright- Acting Secretary
