Update on Railroad Right of Way:

Don updated the Conservation Commission with his conversation with Patric Herlihy. Don said Patric wanted to come up and walk the trail and look around, this was before Thanksgiving and then we ended up getting snow before he could get here. Marsha Lombardi mentioned that they could take him in from Jiffy Mart on the railroad tracks down to the trail. Frank said he would like to ask Patric if we could have more than one access point to the trail. Don said he does not think the Right of Way is going to be an issue, there's already a snowmachine trail Right of Way there now. Marcia Hammon asked if we are labeling the trail, Frank said it's only in the planning stages right now. It will only be a trail, not a Town Forest. Marsha Lombardi suggested we should study the trail/area more and go into different parts of the woods.

Annual Report:

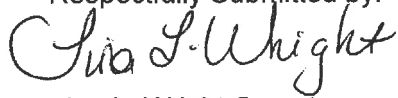

The board worked on the summary for the 2019 Annual Report.
