Frank Lombardi called the meeting to order at 4:32 p.m.

Members Present: Frank Lombardi - Chairman, Marsha Lombardi, Valerie Yelton, Edith Worcester and Tina Wright-Secretary

Members Absent: Ken Jordan and Donald LaPlante

Review of Town Meeting results of Town Forest petition article:

The Conservation Commission had a long discussion on the outcome of the petition at Town Meeting and what the Commissions next step will be.

Frank is going to email Steve Agius and see if he'll come in and talk with the Conservation Commission and possibly meet with the Selectmen.

Other Business:

Frank Lombardi had an update from the previous night's planning board meeting. There is a three to four mega watt solar array being proposed on Ellen Ineson's property. Ellen is going to be leasing this land to a solar company. Some concerns with the project is that area is a large deer yard with a lot of wildlife and what kind of views would this be for others. The company had different options they proposed.

Next meeting is April 10, 2019 at 4:30 pm

Adjournment

A motion was made by Valerie Yelton to adjourn the meeting at 5:21 p.m., seconded by Edith Worcester, meeting adjourned.

Respectfully Submitted:

Tina Wright-Secretary
